

Practical Photography Course

Description:

Do you want to take your Nature photography to the next level? Join Ernest Porter for a customisable, flexible course, fit for beginning photographers all the way up to professional-enthusiasts. The client/s decides where the focus should be: from understanding your camera, to the technical aspects about photography, to increasing your skills and knowledge to capture those small, fast birds in flight.

We will spend 2 hours in Walter Sisulu Botanical Garden where Ernest will guide you through the garden in search of relevant subjects while teaching the photography skills you seek.
